Cecil Simmons' Cruise-In

At the home of Tom and Elizabeth Wyse
Friday, May 24, 2024

What a fun time we had. Tom fixed his famous Italian beef for all and our home was filled with 22 members who were able to join us. It was a good day- especially for long time member, Cecil Simmons, who has been unable to attend any cars shows, cruise-ins, or meetings of late!

Back row, l-r Dave Balogh, Jeff Ross, Tim and Aly Tuttle, Bill Stockton, Sandy Ostrowski, Dennis Lareau, Charlotte and Cecil (seated) Simmons, Steve and Sandie Lowery. Front row, l-r Ken Pellum, Tom and Elizabeth Wyse, Lin Lareau, Kay Pellum, and Bruce Oswald.

Back row, l-r Linda and Ken Barfield, Lester Fant, Cheryl Doughty, Linda Bates, and Cecil Simmons (seated)

Great American Antique Car Rally in Cairo, Georgia / May 10-11, 2024

Car shows are about so much more than cars, it's the fellowship and gathering of friends! There's plenty of time to visit in-between all the beautiful cars.

Congratulations to Steve and Sandie for winning the poker run and \$100.00!

When I took this job Elizabeth and I agreed I would write an article every month for the newsletter. That was a weak moment for me, I surely didn't realize how difficult it would be to come up with a topic every month. You may recall there have been some months I missed the deadline. I think that's called writer's block. I have stayed away from tech topics because most of you are sharper than I am when it comes to old cars.

Speaking of old cars I just got the June edition of *Ragtops and Running Boards*. We don't have a lot of activity around the area in the way of car shows this summer. Having said that on June 29 there are three shows scheduled in Dothan the same day. One at Harley Davidson, the Crazy Monkey, and the Peanut Festival. The one at the Peanut Festival supports the United Way.

On a personal note my latest upgrade to the '55 is a 20 foot car trailer. I really had a hard time with that decision because I have been really critical of "Trailer Queens" in the past. I have even proposed a separate category at our shows for cars that weren't driven to the event. The winner would get a very small trophy. My justification is that now I can go to shows that are a little further away than I am comfortable driving the old girl. (I am thinking of going to a show in North Iowa this fall).

See you at the picnic on June 15. Info about the picnic was distributed with the Member Minutes. Please check for more details AND, please RSVP.

Stay safe out there my friends.
Bill

CAR
RIDDLES
Submitted by Sandy Ostrowski

1. I roar without a throat, sprint without a leg. Fuel is my feast, and the road is where I beg. What am I?
2. I watch without eyes, alert without fear, I signal the danger when obstacles are near. What am I?
3. I hover around but never intrude. Invisible until I'm suddenly viewed. I'm your silent guardian in a crash, out in a blink, with a protective flash. What am I?

See page 8 for the answers.
